Amdt. Dated October 6, 2004
Reply to Office action of July 6, 2004
Attorney Docket No. P11556-US1
EUS/J/P/04-2128

REMARKS/ARGUMENTS

1.) Claim Amendments

The Applicants have amended claims 1 and 5; claim 2 has been cancelled. Accordingly, claims 1 and 3-9 remain pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

2.) Examiner Objections – Specification

The Examiner objected to the Abstract and Title of the Invention. The Applicants have amended the Abstract and Title of the Invention in accordance with the Examiner's suggestions.

3.) Examiner Objections - Claims

The Examiner objected to claims 2 and 5 for certain informalities. The Applicants have cancelled claim 2¹ and amended claim 5 to correct the informality noted by the Examiner.

4.) Allowable Subject Matter

The Examiner objected to claim 2 as being dependent upon a rejected base claim, but indicated such claim would be allowable if rewritten in independent form. The Applicants have amended claim 1 to include the allowable subject matter of claim 2. Accordingly, claim 1 is now allowable.

The Examiner stated that claim 5 would be allowable, subject to correction of the noted informality. The Applicants have amended claim 5 to correct the informality and, thus, that claim is now allowable. Whereas claim 6-9 are dependent from claim 5, and include the limitations thereof, those claims are also allowable.

¹ The Applicants have corrected the informality in claim 2 noted by the Examiner by the amendment of claim 1 to include the allowable subject matter of claim 2.

CONCLUSION

In view of the foregoing amendments and remarks, the Applicants believe all of the claims currently pending in the Application to be in a condition for allowance. The Applicants, therefore, respectfully request that the Examiner withdraw all rejections and issue a Notice of Allowance for claims 1 and 3-9.

The Applicants request a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.
